We need your expertise!

Become a parent mentor!

Texas Parent to Parent

Empower other parents of children with disabilities or special health care needs! Your challenges and victories are valuable information that you can share to help another family!

Join us to learn about:

- *Care for the Caregiver*
- *Listening skills*
- *The emotional process and stages we go through*
- *How talking to another parent can empower you too and provide the support you need by learning that you are not alone!*

FREE virtual training

February 16 & 18

1:30-3:00 pm

***Must attend both sessions to become a mentor with TXP2P**
