Central Texas Walk-n-Roll

Come join us for the 1st Central Texas Walk-n-Roll to be held on April 26th, 2008 at Old Settler's Park in Round Rock, Texas. It's more than a Fundraiser! Texas Parent to Parent (TxP2P) and the Osteogenesis Imperfecta Foundation (OIF) are partnering to raise awareness and critically needed funds to support programs and activities benefiting the individuals and families we serve. The proceeds will be divided equally between our two organizations. Come join walkers and wheelchair users to help support the mission of TxP2P and people with Osteogenesis Imperfecta.

How did I get involved in this you ask? I have a son with Osteogenesis Imperfecta (OI – also known as brittle bone disorder) and also work for Texas Parent to Parent. I pondered how I could help both organizations with awareness and funding - the Central Texas Walk-n-Roll will do just that! Please consider supporting this wonderful event!
