

Providing support and information for families of children with disabilities, chronic illness and other special health care needs

## Wanted: A Grief Helped!!

Patty Geisinger, TxP2P Staff

**C**alling all interested Parents!! TxP2P needs more trained Supporting Parent Volunteers. We have many new parents calling for a parent-to-parent match, so we really need your help! Please join us at one of our trainings and explore how to help parents whose children are newly diagnosed. Our free volunteer trainings are from 9 a.m. - 4 p.m. on Saturdays. We offer child care, feed everyone and have a really good time getting to know each other while we learn about stages parents may experience, emotional support, resources and communication skills. Does this appeal to you?? If so, please email Erika, Susan or Patty and we will add you to the invitation list. Here are the cities we will be visiting this year!!

**February** Rio Grande Valley  
**April** Houston  
**May** San Antonio  
**July** Corpus Christi  
**August** Dallas/Fort Worth  
**September** Austin  
**October** El Paso (West Texas)  
**November** Tyler/Longview

We need you all but are especially in need of parents of older children with the diagnoses of Autism, Bipolar, ADD/ADHD, and Learning Disabilities!
