

We need your expertise!

Consider becoming a parent mentor!

Texas Parent to Parent

Empower other parents of children with disabilities or special health care needs! Your challenges and victories are valuable information that you can share to help another family!

FREE training in

Laredo

May 30th

9:00-2:30pm

Lunch is provided

Register at

www.txp2p.org

Join us to learn about:

- Care for the Caregiver
- Listening skills
- The emotional process and stages we go through
- How talking to another parent can **empower** you too and provide the **support** you need by learning that you are not alone!

*Because we have been there
We have an unequal gift to share!
You are NOT alone!*
