Session	Description	Speakers
6130 Transition	**Planning for the Inevitable Healthcare Transition** Wait!! What?? Yes, it turns out that moving from pediatric to adult providers is not an automatic, seamless process for young adults with disabilities and special health care needs OR their parents. Ivy & Betsy, parent professionals, will address why intentional planning for transitioning to the adult health care system is essential. First-hand experiences, lessons learned (sometimes the hard way) and planning tools will be shared. Join us to find out what you can do now so you and your young adult will be as prepared as possible for this inevitable transition.	**Ivy Goldstein & Betsy Furler**
