# Texas Parent to Parent is pleased to invite you to attend the TxP2P 17th Annual Parent Conference

We hope you'll join us this summer in Austin as we celebrate our **17th Annual Parent Conference!** We're very excited about our speakers, exhibitors, and keynote speaker this year! Hope you can join us!

This year's conference brings you 42 sessions to choose from that cover a great array of topics, including behavior, advocacy, transition, special education, mental health, parenting and self-determination issues. We know it's hard to choose just one session per time slot but pick the one that applies to where you are now – we'll be back next year.

There are several changes to the conference this year:

- We are at a new hotel – Hyatt Regency Austin.
- You will not have to pick your sessions for the conference when registering. The meeting rooms have enough space to accommodate most of the sessions we need. However, when a room fills up, the Session Facilitator will not allow any more people in the room.
- **Family Fun Night** is still on Friday evening – it's for the whole family and we'll have kid activities followed by dinner with time to visit with old and new friends. We will have games set up from 5:30 – 6:30 p.m. provided by our top sponsors, entertainment and dinner from 6:30-7:30 p.m. We'll end with time for families to go to the pool. **Registration for the Family Fun Night is required**, so don't forget to sign up when you submit your conference registration forms.
- In an effort to help save some trees, we will have a conference app for the conference this year. You will be able to read more about it and tell us your preference in the registration form.

And for the kids, as has been our custom, **childcare** will be available during conference hours so that you can attend sessions all the while knowing that your children are close by and in a safe environment. If you have a teen or young adult, we will again be holding the **Peer to Peer Summit** or if they are interested, **they can also attend sessions at the conference**, using P2P Summit as a home base or simply attend as a Self-Advocate without going to the Summit. And for siblings, we have our popular **Sibshop**. See page 4 for the descriptions on all these groups and read them carefully – each one comes with its own set of requirements. Hope to see you next year!

# HOTEL

A limited number of rooms are available **now** at the special conference rate of **\$165** (+ tax) (single, double, triple or quad) at the Hyatt Regency Austin. Rooms will be available on a first-come, first-served basis. Reservations made by **June 30, 2022**, will receive this negotiated group rate. **Please be aware that the reserved “room block” is usually filled prior to June 20**, and if this happens, reservations are subject to availability and possibly an increased rate, so don't delay in making your reservations.

**You can call the hotel directly (877-803-7534) to make your reservation or register using this link:** <https://www.hyatt.com/en-US/group-booking/AUSRA/G-GTPP>. You MUST identify yourself as being with the Texas Parent to Parent Conference to receive the **\$165 conference rate** (+tax & parking). This room rate will be available from July 21<sup>st</sup> through July 23<sup>rd</sup>. The hotel has accessible rooms with roll-in showers. If you need a roll-in shower, please let us know and we will have the hotel set one aside for you. You will need a credit card to reserve your room at the Hyatt. Check-in is at 4 pm and check-out is 11 am.

To ensure you receive the correct rate, be sure to have your reservation confirmation emailed or mailed to you (and check the rate and dates). Your room cost includes complimentary basic wireless internet. If you must cancel your hotel reservations, be sure to do so by 3:00 p.m., 72 hours prior to your first night for the reservation..

Also, because we are downtown Austin, there is no free parking. The hotel has offered a reduced rate of \$15/day for overnight parking in their garage; \$10/day for daytime parking. Superior HealthPlan has provided sponsorships for parking, so if you need financial assistance, you must request in your registration.

**Lodging Stipends:** We are thrilled to offer lodging stipends for the Hyatt Regency Austin to parents of children with disabilities attending the conference. As always, stipends are a hot item and will go fast, so act quickly! **Lodging stipends will be awarded based on financial need and you must register and request the stipend on your form.** First consideration for lodging stipends is given to new families who live **more than 70 miles** away from the conference hotel and those who have not received lodging stipends in the past 2 years.

**Lodging stipends are available only to parents and family members of children with disabilities or self-advocates over 18, attending the conference and are awarded for a maximum of 2 nights.**

Please note that lodging stipends for hotel expenses do not cover 100% of your room cost *unless you are sharing a room with another adult who is also receiving a stipend (this can be your spouse)*. If you are not sharing a room, you will still owe the difference between the stipend amount and the hotel room charges. For example, with the conference room rate of \$165, total charges for one day, including taxes, are approximately \$195. The maximum lodging stipend is \$131 per night, so unless you are sharing a room with another parent, you will owe everything over \$131—approximately \$64 per night. If you share your room with another parent who also is getting a stipend, your room cost would be completely covered for that night. We will not pay for parking if you get a room stipend.

Also, **if you receive a lodging stipend and are then unable to attend, you must cancel your reservation by 3:00 p.m. 72 hours prior to your first night** for the reservation. If you don't cancel in time, you and/or TxP2P will have to pay the first night's fees.

**Equipment Exchange:** Due to space issues, we will not have the equipment exchange physically at the conference. We can still help you exchange equipment at the conference, but it will have to be arranged ahead of time and we can't store the equipment for you. You'll have to meet the parent and

**(Note: No registration will be allowed on-site. Child care will be provided if you register for it.)**

If you **arrive after 4:00 p.m. on July 21<sup>st</sup>**, you will not be able to attend the training.

# SESSIONS FOR CHILDREN, TEENS, YOUNG ADULTS, AND SIBLINGS

(Note: No registration will be allowed on-site.)

## Child Care

(Note: No registration will be allowed on-site.)

**Childcare is very limited, so if you can make other arrangements for your children, please do.** If you need childcare, please indicate this on your registration form and fill out the childcare form on-line. Limited stipends to help lower the cost of childcare **may** be available — let us know if you are unable to attend the conference without one on the registration form.

Child Care is provided in one large room with the children separated out into groups. If your child has a problem with noise level or large group settings, you may want to seek other arrangements. Also, if your child is 10 yrs. or up and is **incontinent**, you must come take care of that task yourself. **We are unable to accommodate children who need all day one-on-one care or any child over 12 years old.**

**Children in childcare will be fed in the childcare rooms.** If you prefer, you may purchase an additional noon conference meal for your child at the rate of \$50.00 per meal if you'd like to have lunch with him/her. Please discuss any change in the established childcare meal plan with your Child Care Team Leader and indicate the number of additional meals you would like to purchase on your registration form.

Child Care space goes very fast and will be closed when capacity is reached. The registration fee is refundable if you are unable to attend the conference and provide written notice to TxP2P (via email, fax or U.S. Mail) on or before July 15.

Child Care will run from 8:00 a.m. - 5:30 p.m. on Friday and 8:00 a.m. - 4:30 p.m. on Saturday. **We ask that you promptly pick up your child at the end of the day as indicated - our childcare workers need to be able to go home!**

## Sibshop

**Saturday - July 23rd, 2022 (Note: No registration will be allowed on-site.)**

Sibshops are lively, pedal-to-the-metal celebrations of the many contributions made by brothers and sisters of kids with disabilities. Sibshops acknowledge that being the brother or sister of a person with disabilities or special health care needs is for some a good thing, others a not-so-good thing and for many, somewhere in between. They reflect a belief that brothers and sisters have much to offer one another if they are given a chance. The Sibshop model intersperses information, discussion, activities and games. Sibshops seek to provide siblings with opportunities for peer support, something TxP2P strongly believes in. Because Sibshops are designed primarily for children aged 8 to 12, peer support is provided within a lively, recreational context that emphasizes a "kids-eye-view." Group is limited to 15 children and will be facilitated by a trained Sibshop Facilitator. For more information on Sibshops, visit <http://www.siblingsupport.org/> or call us at 866-896-6001 (toll-free).

If your child(ren) wants to participate in Sibshop, please indicate this on your registration form and fill out the childcare form on-line. **The Sibshop is not designed to be a childcare venue.** Sibshop will run from 9:00 a.m. to 3:00 p.m. on Saturday only. You will take your child to the Child Care Room and the facilitators will pick them up and deliver them back to that room before and after the Sibshop.

# Peer to Peer Summit

**(Note: No registration will be allowed on-site.)**

The Peer to Peer (P2P) Summit is a two-day “conference within a conference” for teens and young adults, ages 13 to 22, **with and without** disabilities. We are pleased to have **Art Spark Texas** back to lead the Summit again this year. Through a series of varied activities, the teens & young adults will express themselves through art, music, movement, animation...and maybe just a few surprises! Working alongside professionals in their field they will discover their own hidden talents, share with their peers and family members and bring home some fresh ideas about what is creatively possible!

Each registrant is encouraged to participate as actively as possible, and support is available from Summit volunteers to help each participant “get the most” out of each activity. There are adult volunteers to provide help and supervision, but **P2P Summit is not designed to be a childcare venue**. The P2P Summit is provided in one large and sometimes noisy room. If your teen/young adult has a problem with noise level or large group settings, you may want to seek other arrangements. We are unable to provide **incontinence care** in the Summit so parents must come to take care of that task.

The P2P Summit space will serve as participants’ home base for the 2 days of the conference. Some participants will be able and allowed to come and go from the Summit location without being accompanied by another teen or adult, possibly attending conference sessions. We encourage responsibility for decision-making by the teens and young adults who attend. If your teen/young adult is unable or should not be permitted to leave on their own, please consider having a full-time attendant (non-parent) accompany your teen/young adult. The Summit leadership’s goal is for parents to be free to attend conference sessions and to promote self-determination for Peer to Peer Summit participants, so it’s best that attendants NOT be parents.

If your teen/young adult would like to participate, but you have concerns about whether they’ll be able to participate in the activities or any other aspect of the Summit, don’t hesitate to call us at 866-896-6001! Registration is \$150.00 and limited to the first 30 paid registrants. **Deadline for registration & full payment is July 15th.** Fill out the Peer to Peer Summit registration form on-line after you complete your registration form. **No registration will be allowed on-site.** Attendants are welcome at no additional charge, and lunch for attendants may be purchased for \$50 each day. Teen/young adult must understand and/or speak English to get the most out of this session. The Summit will run from 8:00 a.m. - 5:30 p.m. on Friday and 8:00 a.m. - 4:30 p.m. on Saturday.

Come learn how to start a Personal Support Network for your child, step-by-step and side-by-side with other parents. This session is for families who attended the Personal Support Networks presentation on Friday morning or are already familiar with Networks. Parents agree that the hardest thing about Personal Networks is getting started, so join us and encourage fellow parents to take the first steps!</p>	<p><b>Denise Sonleitner</b></p>
<p>4070</p> <p>Mental Health</p>	<p><b>Parenting and PTSD – Let’s Talk About It</b></p> <p>The session is for parents and caregivers of youth or children who have experienced trauma. Valencia will talk about Complex Trauma and PTSD, as a parent raising two children, 18 and 12, who live with PTSD. She will create a very open and honest space to discuss our real struggles when faced with this tough living dynamic. She will also talk through the ups and downs of how trauma impacts the whole family, coping strategies for parents and kids, healthy habits and ways to create a safe environment for our family.</p>	<p><b>Valencia Gensollen</b></p>
<p>4110</p> <p>Spanish</p>	<p><b>Cinco cosas para estar preparados ante emergencias y desastres naturales</b></p> <p>Texas es un estado que es impactado por diferentes desastres naturales todos los años: incendios, tornados, huracanes o inundaciones. Las personas con discapacidades tienen un riesgo mayor de ser afectadas durante los desastres naturales. Esta plática ayudará a los padres con niños y jóvenes con discapacidades a cómo estar preparados ante una emergencia o un fenómeno natural. Se demostrarán 5 pasos esenciales de cómo hacer un plan que integre a toda la familia, cómo conectarse con los servicios de emergencia locales y cómo implementar un kit de emergencia en el hogar.</p>	<p><b>Marisol Acosta</b></p>
<p>4120</p> <p>Special Education</p>	<p><b>Improving School Discipline Practices in Texas</b></p> <p>Students with disabilities are routinely overrepresented in school discipline measures like in-school suspension, out-of-school suspension, expulsions and placements in Disciplinary Alternative Education Programs and Juvenile Justice Alternative Education Programs. They are also far more likely to experience informal or “shadow” discipline practices like removal to “cool down” rooms, and informal suspensions or “early pickups.” The impact of COVID-19 has increased the need to address this historical disproportionality, as educators, students and their families continue to experience stress, disruption and isolation. Jolene will cover recent and proposed changes in law, and how families can get involved to support students.</p>	<p><b>Jolene Sanders-Foster</b></p>

### FINANCIAL ASSISTANCE - REQUEST A STIPEND

**PLEASE READ THIS WHOLE THING IF YOU NEED SOME ASSISTANCE PAYING FOR THE CONFERENCE**

We know that the cost of this conference can be a problem for families (we are all parents of children with disabilities ourselves and know how expensive life is) so we have secured some funds to help families who may need it. Please fill out the information below if you want to request a stipend. We cannot cover the whole cost of the conference for you because we have so many families asking for assistance, but we try to cover some expense for everyone who asks. First consideration for lodging stipends is given to those who live **more than 70 miles** away from the conference hotel and who have not received lodging stipends in the past 2 years.

We have a lot of families that cancel in the last 2 weeks before the conference and have typically been able to cover some expenses for everyone. But you must stay on the registration list until the very end - if you cancel, you lose your position in the line and go to the bottom and may not get funding. So just stay on the list until the end.

We will try to cover 1 of the items shown below - please pick the 2 you need the most. Please be aware that the stipends that cover the hotel are the hardest to get so there are fewer of those and they run out the quickest.

- #1 - Hotel cost for 1 adult 18 or over (we can only cover \$85 of the room cost, parking not included) or for 2 adults (will cover the whole expense, parking not included)
- #2 - Registration for 1 or 2 parents
- #3 - Childcare costs, up to 2 children
- #4 - Peer to Peer Summit or self-advocate for the main conference - up to 2 self-advocates
