Mission Statement: Texas Parent to Parent supports children with disabilities, chronic illnesses, and other special health care needs by empowering their families to be advocates for them through peer support, resource referral and public awareness.

Texas Parent to Parent Monthly Donor Program

Become a Monthly Donor and Help Families to Help Families...

TxP2P was created by parents to provide one-to-one support and information to families throughout the state of Texas who have children with disabilities, chronic illness and other special health care needs.

Through our Monthly Donor Program, you can provide consistent, sustainable support for TxP2P's programs and services by giving an amount you can easily afford.

Becoming a monthly donor is an easy and convenient way to make a difference in the lives of people such as Kamalani and his mom, Elyse.

Your Spare Change Can Make Such a Difference...

For as little as \$20 each month (or 67¢ a day) you can help change the lives of the families we support. For just \$50 a month, you will ensure 6 additional families each year receive a Supporting Parent match. **Your recurring donation will also enable Texas Parent to Parent to continue providing these additional supports and services:**

- Family trainings and workshops
- Web-based listservs for families and care givers
- Information on and referral to local, state, and national resources
- Forums which help families obtain answers to specific questions about issues related to their child's needs
- Parent group development
- Training for professionals to help them better understand the needs of the children with disabilities, chronic illnesses or other special health care needs and their families

It's Simple and Painless . . .

Monthly giving is one of the easiest and most cost-effective ways to support Texas Parent to Parent. To become a Monthly Donor, simply select one of the donation levels on the next page and provide us with your credit card billing information -- we'll do the rest! And, we will keep you well informed about how your support is making a difference in the lives of our families through our quarterly Newsletter and special annual Donor Newsletter

Please join our other supporters who have chosen this easy method of donating by completing and returning the form on the next page.
